AGENDA ITEMS	DISCUSSION NOTES	RESPONSIBLE FOR FOLLOW-UP
La Frontera awarded scholarships to the International Mariachi Conference to 11 of our students. We will be using tax credit money for the remaining 9 students registered. We will be attending the conference from April 23-25.		I, Jannette Gastelum, will register with all 19 students. I will send all the required paperwork to parents. I will be supervising them during their workshops.
We started parent workshops in collaboration with PPEP. These lessons consist of 3 to 4 sessions, which are designed to provide parents with the tools and knowledge to support their children well-being and help Prevent Substance use, Family Communication, Being A Positive Role Model, Appropriate and Consistent Discipline and Taking a Clear on Drugs.		Stephany Ortega and Andres Ruiz from PPEP will be the instructors.
We purchased 5 take home bags with Title I supplemental materials which are designed for students from K-8. It includes complied books, educational games and activities. These will create an active, engaging learning environment to the home by providing hands-on learning tools that are fun, educational and grade appropriate. Our parents will be allowed to check out books and materials.		I, Jannette Gastelum, will be in charge of having parents sign out for these books and make sure they get returned.
